NAUSET TIDES 1999

Many have passed this way before,
Walking hand in hand,
Not caring as the day goes by,
Bare foot in the sand.

Many more will come this way,
While the years roll past,
I'll be here along with these,
Until the very last...

Amy Martin

Makes A Difference

The Class of 1999 dedicates this yearbook to our "Attendance Queen" — Amy Martin. Amy greets us every morning and starts our day with a laugh and a welcoming smile.

Amy must understand so much about all of us, because as a member of the Nauset Class of 1986 she was not only a National Merit Scholar, but also voted Class Clown!

Amy has a gift. She always finds time to listen to our complaints, laugh at our jokes, and support us when we are up or down.

Although we joke back and forth we respect everything Amy does for us. She understands how important it is to make a difference in our world. Thanks Amy!

Amy's World

Whether Amy's on our case for having yet another unexcused tardy . . .

THE JUICE BAR

. . . or cheering us on, she's always there for us!

We will always remember . . .

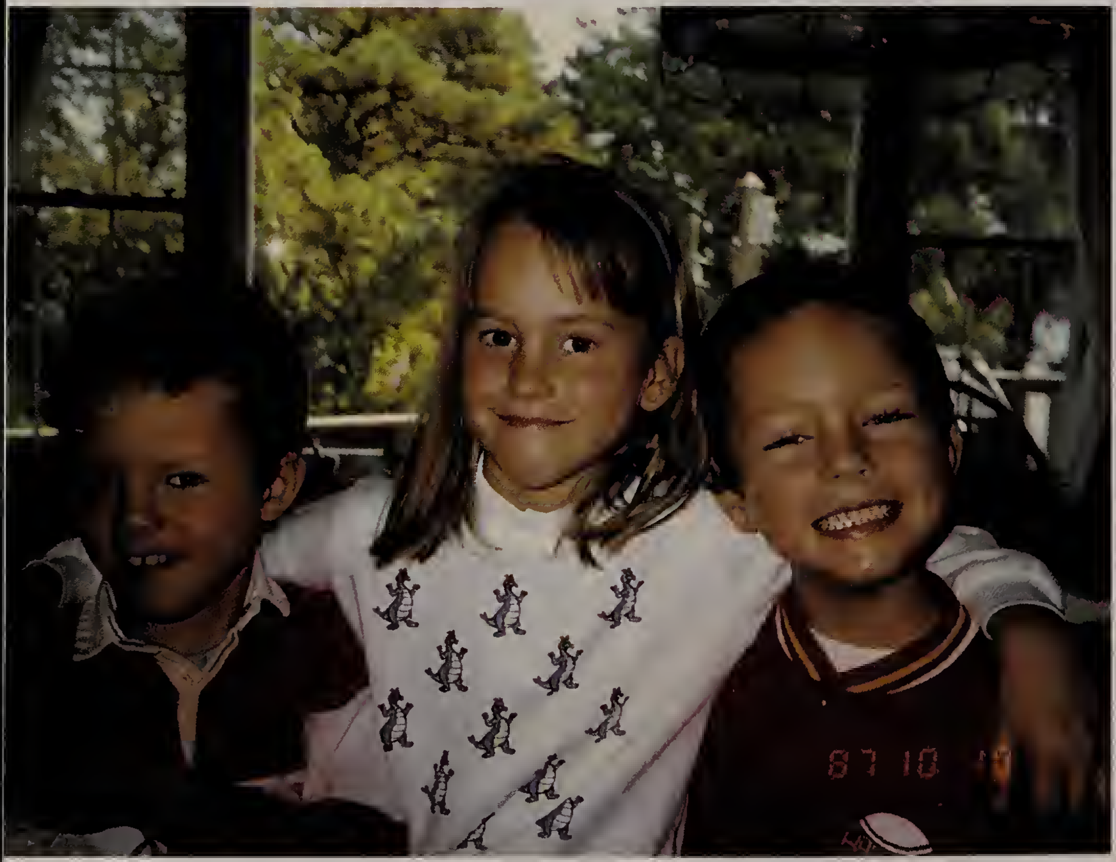
"Be cool stay in school"

"When in doubt, tell the truth"

"Ya got to be in it to win it!"

In Memory Of

William B. Hartung



To Willie A Year Later

It seems like only yesterday,
A piece of us was taken.
We lost a friend, a loving son,
The entire town was shaken.

A year of Hell, no place to hide —
Oh, how we all missed Will.
Memories would fill our hearts
The parents sought Fort Hill.

But through the tears and longing aches,
The bond of love was strong.
We understood the lessons taught —
We could not right the wrong.

Fridays nights are not the same,
Cold pizza goes to Blue.
The Hershey hats lost something fun,
The 4th — we just made do.

But celebrate is what he'd want,
Just like it was before.
So we will laugh and drink and dance,
And love you more and more.

— Larry Squire

CLASS HISTORY

As the Class of 1999 we officially say farewell to the 20th century. Our three years at Nauset Regional Middle School came to a close in the spring of 1995. That September we arrived at Nauset High School to discover we had the campus all to ourselves and immediately breathed in a freedom which was previously non-existent. It wasn't until the next day when the masses of upper classmen arrived, that the feeling of intimidation was immediately evident. We realized we were stuck at the bottom of the food chain.

It was the first year of block scheduling, and although we all feared the duration of an 85 minute marathon, it did have its perks. The teachers were inexperienced, and we had an extra day to complete our homework. Along with block scheduling, Nauset's first ever football team was introduced. They ended their varsity season with a record of 1-0. Drama produced Hamlet and The Elephant Man, and who could forget the Juice's white Bronco. RESPECT was also very important.

Our sophomore year brought driving privileges to a chosen few, yet others were forced to endure fifteen grueling hours of Drivers Ed. The construction of "N" building was finished during our sophomore year. Also added to Nauset were the infamous video cameras that watched our every move...or so we were told. The sailing team was introduced, and drama presented the musical Grease. Who could forget our "educational" field trip to see Romeo and Juliet. After months of meetings and construction the long awaited Juice Bar opened and Nauset kids finally had a place to hang out.

Junior year arrived, and the realization that we wouldn't be here much longer slowly set in. Highlights of our junior year consisted of yet another "educational" trip to the movies to see Amistad, the musical West Side Story, and Field Hockey's heartbreaking loss to D-Y in the semifinals. However, most our sports teams walked away as "Cape and Island Champions" for the last year in that league. We took the SATs, wrote our junior paper, and reviewed colleges. Some of us survived. The most memorable and news worthy event of our Junior year was the demise of the canopy.

After three years of losses (the rumor that juniors have to place second doesn't always hold true) we finally won the pep rally in our senior year. That fall was filled with college applications, deadlines, and more SATs. The grueling act of waking up at the crack of dawn was getting old and as a result many of us have suffered under the new tardy policy. By this point many of us have become accustomed to a lack of sleep. So now we have come to the end of our time at Nauset. Although we have complained through it all, we have managed to survive and come out stronger and a little more mature. We are ready to move on to the next chapter of our lives, but (although we hate to admit it) we will miss Nauset and the lifelong friends that made it all worth it.

So the time has come for us to depart from our roots and embark on a journey into adulthood. But before I go I'll leave you with some wisdom, the wisdom that each one of you has a light inside, a gift that only you possess. So as you travel in your endeavors, don't waste that gift, use it. And I know that at times we all had our quarrels. But that's in the past and now I hold only Love and Admiration for all of you. Stay away from the red rope licorice and don't forget to laugh.

Peace/Justice club 4, Social Virus 2-4, I perceive this to be my opportunity to send a message. Hopefully we will all escape this sandbar and discover our true selves, open our minds, and ultimately liberate ourselves. The system is corrupt but we are the future and we have the chance to lead the next revolution. So never doubt that a small group of thoughtful, committed, citizens can change the world. "Homecoming"

On October 17, 1998, Nauset's Homecoming games were underway. The concession stands were set up, and the Eldredge Park fields at our old middle school were filling up with students. Field hockey was the first game of the evening, and the girls tied D-Y, 1-1. The Girls soccer team then took the field next, but despite a strong effort, lost to ACL champs, Whitman- Hanson, 3-1. It was dark and getting cold, and students were seen huddling together under sweatshirts and blankets, holding their yellow Nauset megaphones tightly in their hands. The Warrior's boy's soccer team was up next, they took the field under the lights, and crushed the feared ACL team, Whitman-Hanson, 7-2. The next day, our football team played at home against Plymouth North, but suffered a painful loss of 7-28. Here's to our first Home-coming in the ACL, good luck next year!

"What would we do without Dr. Markovich, Mr. Milbier and Sallie? We would never get to class. So seniors before you leave here don't forget to give a big thanks to these people."

As we stepped up into the Atlantic Coast League this year, we all knew it would be a challenge to play at that level. Everyone worked extremely hard and in most games it showed. As the season went on we improved. We all put in a full day of school after hard practices that start at 5 am. Our season wouldn't be complete without the Harwich game, which we won this year 6-1. Our team had two captains, Andrew Wade and John Muldoon. The 1998-1999 Nauset Hockey Team was led by a new coaching staff: Coaches Rego, Giblin and Austin, who proved their ability. Thanks for a great season!

Dear Ryan,

Eighteen years ago on March 20th, God gave me a gift. That precious gift was you. These eighteen years have been the most joyous years of my life.

Like a new day dawning, your beautiful smile radiates warmth to all those around you.

And you have a heart bigger than the grand canyon. You are every mother's dream, and I am elated that you are mine.

Spread your wings, Ryan and fly high. Let nothing deter you from your path.

Daddy, Ashley, Nana, and I love you deeply.

Senior Cheerleaders

Chrissy, Jessica, Lisa, Cassidy
What a great year it's been!

Thank you all for making this last year very special. We've done things better than ever. All the stunts, trips and chats. Who could forget the competition that never was (but I got a cool dress!), Water Boy, Tales from the Cass . . . It just goes on. I will miss you all, next year won't be the same!

We've worked so hard to get here. I am so very proud of the four of you!

Jess, you were a great Captain. We've seen it all, first year football, the low in basketball and now here we are, Single Base Stunts! You are going to be hard to replace!

Cassidy, you turned out to be a great Cheerleader, even though the start was rocky (YOU teach Cassidy spirit windmill) Why didn't you do this earlier? You are so funny, gross sometimes, but funny always! Remember Chemistry is Everywhere!

Lisa, you were so tolerant with us throwing you into stunts. (Elevator? Sure, what is it?) I wish you had joined earlier too. I was lucky to have you as my little sister. You definitely got the best loot!

Sorry, I had to put it in! Never forget your baseball, the red eye (forever!) and "So the majority wants Taco Bell and Chrissy and I want Pizza. Pizza it is!" You've done so much for me (Bad Cop), you will never know how grateful I am. What will I do without you?

CONGRATULATIONS

YEARBOOK

Back Row, Left to Right: Rachel Finlay, Liz Daigle, Ricky Carlsen, Caitlin Grue, Tom Ladd, Jamie Santos. Middle Row: Kate Clancy, Tara Quinn, Editor — Lisa Miniceli, Leah Schulenburg, Sarah Newcomb. Front Row: Ryan O'Malley, Nick Gengarelly, Abby Seletsky, Nicole Maguire, Tyler Senno, Abby Griffin-Ryder

As the creators of the 1999 Yearbook, we have had a great time. The year started off at a hectic pace but we managed to get organized with the help of our advisors, Mrs. McGown and Ms. Lebow. We produced what we hope is a great yearbook with many happy memories of the 1998-1999 school year. Thank you to everyone who contributed their time, effort, and ideas to this year's yearbook. Enjoy!
